

THUMBPRINTS

Of all the little
things we seek.
Our thumb appears,
to be unique.

Have you seen
your own thumbprint?
It has a
unique imprint.

No two thumbprints,
look the same.
But they make
a very good game.

Six billion people,
throng the globe.
Each with a
unique thumb lobe.

Every thumbprint,
in the world,
has different lines,
different whorls.

Print your thumb,
look up or down.
You might find,
in it a clown.

A bird, a lion,
a crawling snail.
A fish, a peacock,
snorting whale.

In your thumbprint,
you will find.
Lots of things,
to open your mind.
